The hotel is a contemporary and chic property, comprising 30 suites and accentuating the luxury SLH tradition, combining it with modern aesthetics to create an intimate, yet exclusive, private, and unique abode.

Just because you're getting too comfy in your suite, it doesn't mean you don't get to indulge. Here, casual, inventive culinary & beverages choices whet your tastebuds. This is complemented by a hotch-potch of multi-disciplinary concepts—Kitano boasts authentic teppanyaki, a Tandoor oven where the most delectable Indian tapas are made and our spectacular ice-boxed bar, an eclectic hang out to sip sundowner cocktails blended by our mixologist amidst snacking on light regional tapas.
